**Adobe Photoshop CC 2018 Version 19 PC/Windows**

The GIMP and Other Graphics Editors  
Many graphics editors exist on the Internet, so we've chosen Photoshop and GIMP as examples of the type of programs we have in mind. We did not choose those programs because they are universally acknowledged as the industry standard. We chose them for the number of people who

But most photographers can't afford a huge price premium in the price of Photoshop compared to the more affordable Photoshop Elements version.

### What's New In?

The Refine Edge tool allows you to enhance the contour of an image. The Brush tool allows you to paint or fill with colors. The new Pen tool allows you to draw. It is similar to a pen in a sketchbook. The Brush and Pen are equivalent to the writing tools in a pen and ink drawing. The Type tool allows you to take text and place it into an image. The Crop tool allows you to correct the size of an image. The Liquify
