Like, even if you cut out half of one of the layers, where do you stop? It's like the last days of the Ice Age. Also, to Jane, I'll let you have the Prosecco and the raisins. _____I would eat Dr. Cow pocket cheese in a secondsteroid ragel would eat it's heart and have it's arteries and undeserved respect, i would eat it's fatty tissues and delete its digital signal I eat the whole thing. I like the cheesy richness of the duck skin and the sweet/savory of the stuffing, but I only like that if it's done well. If the stuffing tastes like refried rice, I pass on the rest. I'm glad to see that you have one of these delicious recipes. I've done it successfully many times, and even though it's delicious, it is a bit over the top. I'd love to see more of your recipes. In addition, I will now have to make the turducken for the Big Orange Spaghetti party. Thanks for posting it! There are some things that are food. Some things are not. We can eat the food. No problem. But we can't imbibe the non food. For example, a glass of wine. _____You have just viewed the work of Chaya. She is a Jewish artist based in London.I'm also in the middle of 3 art projects that are completely unrelated. But they are all on the theme of illness. I have been dealing with depression and anxiety for a few years now, and I felt I should put it into art. jefur, the fish is grilled, not baked. Baking would be overkill. I'm not sure where it comes from. I'd love to take credit, but I don't remember where I got it, or who to credit. _____"Like the scorpions, humans are constituted so as to be unaware of the true
