What do the icons on the bottom of the English/Chinese keyboards mean? I'm coming from a Japanese background, so I'm used to the Japanese keyboards in OS X (and all the software I use here). The very top of the keyboard has all the symbols and punctuation keys and all the other little things that are needed in the Japanese language, and the same is true of the Japanese keyboards. In OS X, these are made up of English and Chinese characters. What do the symbols on the very bottom of the keyboard mean? The one at the right is the number pad. I'd guess these were for some of the other languages, but what does the symbol in the middle mean? What is the upside down triangle for? A: The big one is the , literally "finger-figure". I think it looks like a hand, but the reference is not to actual fingers on the hand. The bottom one is the  (number/number key). It looks like a keyboard, so I think that's what it is.

Finally, the large upside-down triangle is the
