Reply. Avatar. daryannyb. 6 Jan 2022. Good evening, Dimitri. You know, I don't consider myself a person in a position to change anything. I am an ordinary person, not claiming any laurels and not hungry for power. I am not a member of any party and do not engage in any political activity. But from what I see, there really isn't much change for the better. I do not believe that our society is so immoral that all people are willing to sacrifice themselves for something. We are human beings, not animals.
