
How To Get Rid Of Phone Activation Notification

[Download](#)

October 28, 2014 - try it - go to settings -> apps -> swipe on the "All" tab, a list of all apps and services will be displayed, scroll down to "setup wizard", . Click there on the "Application Settings" button, click on "Disable". It happened to me, but only with Gmail, I haven't seen this in other applications, but maybe only I have such a problem October 29, 2014 - It doesn't show up in my settings in apps either, but I resolved the issue by downloading the app, and now it shows up for me. It was the Google app "Google Play Services". Simply on the page in Google Play, select this program and then uncheck the item "Disable
