Motorola Mag One BPR40 Radio Programming Software, Radio Programmer, Motorola BPR40 Radio Programming Programming Software Software for Motorola Mag-One BPR40 / Motorola Mag One BPR40. Current Version 2.3. Mag One 20T E2060 Purchasing This Item 1-800-242-2791 Option 0 What's the simplest method to capture the Serial or Programmable ID of my Motorola Series 50v2 and 50v3. I have ordered the Programming Software for the Mag One - The Motorola Series 50v2, 50v3, 50v5. I am very happy with this order and have made a new friend in my shop. Radio Programming Programming Software Software for Motorola I am a very new owner of Motorola Mag One L25 Series U920 and after read that i need to buy programming software with programming cable to customize my radio, but could not find it in the Motorola product line. I know some other radios can be customized by some other programming software like Programmy or some other program/software. If i buy programming cable from Motorola Mag one i will pay $70+ per programming cable? Is there anyone can help me to get the Programming Software of Motorola Mag One for my Series 50v2? . I would like to tell the truth about this problem. Can someone just help me for this? I have read the message that maybe because of the compatible cable or radio software. I do not know why the problem would be like this. If you know my problem, please kindly answer me. For the programming cable of Motorola series 50v2, the price is $70. I do not know what the cost of the programming cable of Motorola series 50v3, The price
