

Like previous issues, the ninth edition of the Technical Reference. Write complete sentences, but avoid combining short sentences. Use different means of communication between different paragraphs, such as image paragraphs, appeal paragraphs, etc., as shown in fig. 2.16. Rice. 2.16 Image paragraph (left) and call paragraphs (right) Use a variety of fonts and colors, but use color only if it is appropriate and serves to highlight. Highlight your texts and quotes with italics, bold and underline. Use different highlighting tools: different colors, pictures, tables, lists. Unlike
