The circle is closed and some feel a sense of relief that we are finally back to square one and can begin again. We made it. Remember all the dreams you dreamed as a child? Remember how they seemed impossible, magical, and so distant? Well. I'm telling you,

those dreams aren't just that any more. You can achieve them and you can get them. If you stick with it, if you don't give up, if you keep your determination and faith high, then you will surely reach your goals. The circle is closed. The circle is closed. Every day, every hour, every minute, every second that passes, the countdown on the clock gets closer to zero.

The countdown on the clock gets closer to zero. 2016
