Change background image of each checkbox I have the following HTML Pager Default Pager 2 Currently I have this CSS:

```
.form-check { display: flex; justify-content: center; align-items: center; }
```

```
.form-check-inline { display: flex; justify-content: center; align-items: center; }
    .form-check-inline
input[type="checkbox"] { display: none;
    } .form-check
input[type="checkbox"]:checked + label
    { background-color: #d6d6d6; color:
    white; }
```

I am trying to change the background color of the label after the checkbox is checked. What I'm looking for is if you check the first checkbox the first label should be red, but if you check the second checkbox, it should be green. I have tried a lot of things, but can't get it to work. Can someone help me on this? Thanks. A: you can try this: `.form-check { display:`
