Tarnished Heroes introduces an all-new fantasy action RPG called the "Rise of Tarnished Lords," where you forge your own destiny as a Tarnished Lord in the game's massive fantasy world. The story begins when giants ravage the land and an evil empire rises. You along with your companions forge your own destiny as a Tarnished Lord. - How to Play "Rise, Tarnished, and be guided by grace" The game rules are simple. Take the role of a Tarnished Lord and create your own character that suits your play style. You can freely build your own character and combine weapons, armor, and magic as you see fit. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. Just make sure you have enough attributes and level them up correctly. The world of Elden Ring Torrent Download is vast, and your success is entirely determined by how you interact with other players. Play alone, in a group, or even online with other players from around the world. - Story A great adventure awaits... The Tarnished Heroes Story The story begins with the battle between the giants and the people who live in the Lands Between. When all hope is lost, the people are forced to make a last stand against the evil empire in a narrow passageway. The path forward opens, and the people follow a legend to the Elden Ring Activation Code. As the people ascend the high mountain, they find a castle standing high in the distance and a deep hole that gives off a mysterious feeling. These events occur during the 1,000 year long Winter's Day, and it is said that a legend would appear when the sun again rises. After hearing this legend, the people also begin to hear the echoes of a mysterious voice that does not speak to any of them. The people hold a hope that the people of this world will be saved. And in this hope, everyone begins the journey to the Elden Ring and sets off to obtain the legendary items. - Features Character Customization You can freely combine the weapons, armor, and magic that you equip. You can equip different weapon types depending on your class, such as the sword for a warrior, the bow and arrows for archer, and magic for magician, and you can select the combinations and number of
