The dongle is both a USB and PS2 device, so it might be in someone's. Device will not work unless the requested driver is downloaded and. Driver for USB PS2 Converter (2 in 1) v3.0.Q: How to disable radio button based on a change in another element? I'm trying to do something like this: When change occurs in field A (in my case) I'd like to disable radio button B. Is there a way to do this using JQuery? A: So what you want is a chainable binding, where one event is caused by another. This can be achieved like this: \$('#radio').bind('change', function() { \$('#radio-2').prop('disabled', false); }); More information can be found here. Effects of 8-bromo-cAMP on DNA synthesis in pancreatic islet beta-cells. 8-Bromo-cyclic AMP (8-Br-cAMP) decreased the incorporation of [3H]thymidine into DNA of cultured pancreatic islet beta-cells. The time course and concentrations of 8-Br-cAMP required for this effect was similar to that of a previous 0ccc13bf012

Q: How to add Time machine backups into folder? I have one network drive folder that will be used for Time machine backups, I am looking for a way to add the Time machine backups into this folder. How can I do it? I am using El Capitan. A: Use the Time Machine Backup Tool, found here. In newer version of El Capitan, the Time Machine folder is: /Library/Application Support/tmplayer/TimeMachine/Backups.backupdb In older version of El Capitan, the Time Machine folder is: /Users/MIGI/Library/Application Support/tmplayer/Backups.backupdb A: I had the same problem. There are two options: Create a new folder within the original drive. However, you may run into the problem with time machine regarding permissions. Since you are on a shared drive that can be accessed by other computers, you may have to give the permissions to the backup folder to another user. Log in as the backup user. If your time machine is running on a local drive then this option is available. Q: Streaming music to iPad I have created an iPad app in which user listens to the music. How to stream the music so that it is heard
