Ven Adventure is a brand-new RPG game with a detailed open-ended world. There are many character classes and choices of equipment that add to the thrill. The landscape is not flat and instead has a 3D depth. Besides, there is also lots of things to discover and do in the game. The open world environment is huge and the possibilities are endless. The main story features you hunt down a demon which steals souls and you have to find and destroy it before it harms the land. The demon has many powerful bodyguards and magical weapons which you have to outsmart and destroy. There is also a side quest that has a story of its own. The game features official character attributes, classes, equipment, items, and skills. Welcome to a new adventure!
