.Quality of life in endometrial cancer survivors. Survivorship and quality of life (QOL) are important measures for the assessment of the efficacy of different treatment strategies in cancer patients. Little is known about QOL in endometrial cancer patients after treatment is complete. A few studies report, in very small and mostly selected patient populations, that endometrial cancer survivors face specific problems with respect to physical and sexual functioning and marriage and personal relationships. Future longitudinal, randomized controlled studies will be needed to assess the efficacy of various approaches to cancer survivorship and to improve the QOL of endometrial cancer survivors.Tottenham Hotspur continued their heated pursuit of Internazionale winger Luca Toni and according to The Mirror, the Spurs are closing in on the signing. Harry Redknapp, the manager of the Spurs, is keen on adding some more speed to the side and is reportedly interested in Toni, who can play on the left and the right. The Italian international is eager to leave Inter and move to another European club in order to play regular football but Tottenham is now leading the race. The 26-year-old has been a fringe player at Inter and has suffered with

injuries and poor form. If he joins Tottenham it will be his seventh different club. Toni is though is represented by iconic agent Mino Raiola, who helped Cristiano Ronaldo move to Inter to help save his career and future. Do YOU want to write for GiveMeSport?
